Overnight Program

Families traveling to Peoria or Springfield for a child's medical care, or high-risk pregnancy care, may be eligible to stay overnight at no cost.

Eligibility:
Families must live at least 20 miles away and have a child aged 0–21 receiving medical care, or be receiving high-risk pregnancy care, in Peoria or Springfield.

Overnight stays are available for:
Hospital stays, appointments, emergency care, planned visits, high-risk pregnancy care, medical care, behavioral health or mental health care, dental, vision, and hearing care.

Families have access to:
Private bedrooms or family suites, warm meals, kitchens and pantries, living and dining areas, laundry, WiFi, and indoor and outdoor play areas.

A short background check is required for overnight stays.
